Chefblock Modulsystem

HIGH TECH MINIMAL DESIGN

Magnets for strong hold

In each module several fully integrated neodymium magnets give permanent power to keep your knives safe and simply in place.

To remove the knife professional, turn the blade off with the wrist before taking out the knife.

Open multislot design
for direct access

GIANT MOSO BAMBOO

Chefblock Modulsystem

HIGH TECH MINIMAL DESIGN

Top-class material

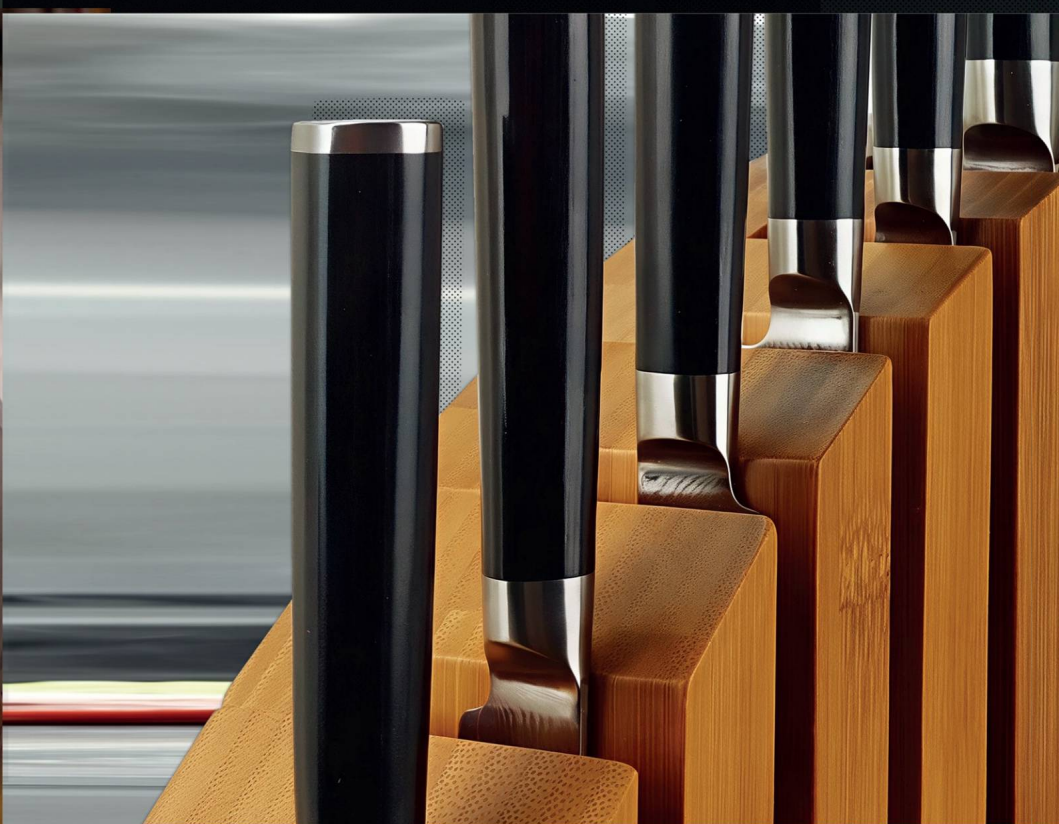

Moso bamboo (*Phyllostachys edulis*) is a monster in growth.

The faster material is of remarkable hardness and stability.

This species develops very dense fibers, which gives the material very high tensile and compressive strength.

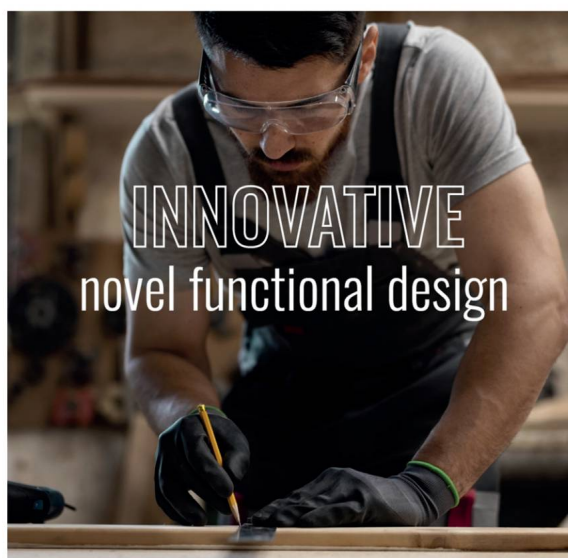

Material and surface refined for long durability and robustness.
